BE SURE to check if the hotel/campground still accepts dogs when making your reservations. Please make sure that you pick up after your dogs so that the hotels will continue to accept dogs.

Most Hide 'N Seek competitors are model guests, but it is becoming increasingly difficult to find motels that will accept pets due to bad experiences with excessive barking dogs. Please make it possible to have trials in the future. Never leave your dog(s) unattended in a motel room and please clean up after them. Your entry in future trials may be affected by failure to abide by these rules. Please know that AQ4U considers the motels and campgrounds PART OF THE TRIAL GROUNDS, so all rules that apply at trials will apply at motels and campgrounds.

There will be a short break for lunch. Rats will be housed in the kitchen, so NO dogs will be allowed in there, but competitors may use the fridge and microwave.

FLEXI LEASHES ARE NOT PERMITTED *at the trial site.*

SITE RULES:

Please pick up after your dog and dispose of waste in appropriate containers outside the building. All dogs must be on a short leash and under control while on trial grounds except while showing.

AQ4U has no obligation or responsibility for providing service through a public address system or steward for the purpose of calling or locating dogs that are not brought to the ring when required. If you miss your run, you may have to forfeit your run. New running orders will NOT be created for people missing their run.

Agility Cues For You personnel assume no responsibility for any loss, damage or injury sustained by exhibitors, handlers, spectators or to any of their dogs, property or family.

Agility Cues For You reserves the right to refuse any entry for any reason. You will be notified by email and your entry fee will be returned.

The ring will be in the rat hunt building with crating in the big building.

Briefings will be emailed to all exhibitors and will be posted in several places in the big building where crating is available. We may have a general briefing, if needed.

We are offering Urban Here, There, Everywhere at this trial! This will be a Here, There, Everywhere course that will include 4-6 "urban" items on the course (buckets, towels, boxes) as "distractions" for dogs to hunt around. Any Q's received in this class will be counted as a normal "Here, There, Everywhere" Q. THIS IS NOT CONSIDERED A SEPARATE TITLING CLASS! We are excited to be the only club offering Urban classes - Ann Embry's creation!
